

Graduate Valuation Surveyor – April 2025

Job Title	Graduate Valuation Surveyor
Location	London Office
Remuneration Guide	Salary up to £30,000 + bonus + benefits (will vary dependent upon experience).
Summary of Role	<p>You will work closely with the Area Director and regional team members to help develop and expand the company's valuation services in the London area, while achieving your individual financial targets. The role includes inspecting properties, gathering market data, and assisting in the preparation of valuation reports in accordance with RICS guidelines. Under supervision, you will gain valuable hands-on experience in both residential and commercial property sectors. Additionally, the role supports your professional development toward achieving RICS accreditation.</p>
Key Accountabilities	<ul style="list-style-type: none"> • Deliver high-quality valuation work under supervision, meeting deadlines and maintaining consistent professional standards. • Support senior team members on complex or large-scale valuation instructions. • Meet personal financial targets as part of a fee-earning role, with guidance and support. • Efficiently manage time and workload, ensuring all tasks are completed accurately and on schedule. • Follow internal processes and instructions precisely, contributing to smooth team operations. • Actively engage in professional development, including training, networking, and progressing towards MRICS qualification.
Qualifications / Experience Knowledge	<ul style="list-style-type: none"> • Minimum bachelor's degree – ideally in Real estate Property or related discipline. • Working towards (or keen to begin) MRICS qualification, showing commitment to a career in valuation and professional development. • Strong analytical and numerical skills, with attention to detail and the ability to interpret data effectively. • Proactive, well-organised, and able to manage multiple deadlines, demonstrating initiative and time management. • Excellent report writing and communication skills, with a clear and articulate style suited for clients and internal stakeholders • Team-oriented with a collaborative work ethic, yet self-motivated and able to work independently when required. • Critical thinker with strong levels of insight and intellectual curiosity.
